

Team Contract

Team Name: _____ **Group A** _____

GOALS: What are our team goals for this project? What do we want to accomplish? What skills do we want to develop or refine?
<i>Our goal is to produce a clear analytical report using:</i> ● Track 1 Classical ML (Regression & Clustering). <i>We want to answer a meaningful business question about Airbnb pricing and provide practical recommendations.</i> <i>We also want to improve our skills in:</i> ● <i>Data cleaning and exploratory analysis</i> ● <i>Regression modelling</i> ● <i>Clustering and segmentation</i> ● <i>Creating clear visualisations</i> ● <i>Working effectively as a team in a professional setting</i>
EXPECTATIONS: What do we expect of one another in regard to attendance at meetings, participation, frequency of communication, the quality of work, etc.?
● <i>Attend the meetings and inform the team in advance if unavailable.</i> ● <i>Complete all assigned tasks on time.</i> ● <i>Communicate on regular bases (we will agree on this internally)</i> ● <i>Contribute to discussions and workload.</i> ● <i>Ensure all work is accurate, well presented, and meet the assignment brief.</i>
POLICIES & PROCEDURES: What rules can we agree on to help us meet our goals and expectations, such as preparatory tasks, generating ideas, evaluating outcomes?
● <i>Use a shared folder to organise data, code, and report drafts.</i>

- *Agree on internal deadlines before the final date of submission.*
- *Review our work before submission.*
- *Make decisions based on data and assignment requirements.*
- *Keep the report within 1,000 words and ensure proper referencing.*

ROLES: Which roles do we need in this project and how do we allocate them? Will there be a project lead? Is there a need to rotate roles?

- *Project Lead to coordinates the meetings and deadlines*
- *Data & Preprocessing Lead*
- *Regression Modelling Lead*
- *Clustering Lead*
- *Report & Visualisation Editor*

Roles may be adjusted if needed, but responsibilities must be clear.

CONSEQUENCES: How will we address non-performance regarding these goals, expectations, policies and procedures? How do we resolve disagreements?

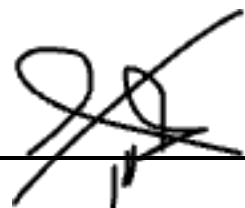

If a member does not meet expectations:

- *First, we discuss the issue and try to support each other.*
- *If the issue continues, we can reassign the tasks.*
- *If on-performance continue, then this will be reflected in the peer assessment.*

By signing this contract, we confirm that:

- we have participated in formulating these goals, expectations, roles, procedures, and consequences as stated in this contract.
- we agree to abide by the contents of this contract
